

MATTHEW RYAN

773 Blue Creek Dr Webster NY 14580 · (585) 216-7786

msr6455@g.rit.edu

Current RIT student with experience in computer science, sciences, photography, and videography. Looking to put my design and technical abilities together on the mobile platform developing apps.

EXPERIENCE

AUGUST 2016 TO PRESENT

SERVER BAYWINDE ASSISTED LIVING

- Meal prep, including making salads, soups, and other appetizers
- Provided food service to the residents
- Clean up work, including dish washing, dining room reset, and general cleaning
- Will occasionally fill in for the chef when they need to leave the room or cannot be there

EDUCATION

2014-2018

GED, WEBSTER SCHROERDER HIGH SCHOOL

Graduated with an unweighted GPA of 3.75

Took 11 AP courses and received college credit for all of them

Went to Lockheed Martin for the 2017 Code Quest tournament

2018-PRESENT

ROCHESTER INSTITUTE OF TECHNOLOGY

Currently enrolled in computing exploration, but declaring software engineering

SKILLS

- Adobe Lightroom/Photoshop
- Adobe Premiere Pro
- Basic HTML/CSS/
- Basic Java/JavaScript/Python

ACTIVITIES

One of my greatest hobbies is photography/videography. I use these skills to help friends with senior pictures or get action shots during sports. I also have spent some time putting together travel videos from vacations I have been on. In addition, I also take part in the RIT track team and I pole vault.
